

Do you have a great topic that is a must-know for potential and current customers? Are you looking for an effective distribution outlet for that subject that you worked so hard on?

This program takes your topic, produces a podcast, and leverages our reach in the industry to give you a positive return on your investment.

POWER's Executive Editor Aaron Larson is known for conducting interviews with leading industry experts and getting updates from insiders regarding power-related topics. Aaron will work with you on a podcast that can focus on:

- Product Information
- New Product Launch
- Executive Interviews
- Training
- Company Profiles

Place your message in front of the global power generation market through a variety of methods including:

- Targeted exclusive e-mail blast to 10,000 POWER audience members promoting the podcast
